18 October 2018

Dear Parents,

It has been a very busy half term. New children have settled well and I trust families feel welcome. Parent support for our Harvest collection was appreciated both in terms of attendance at the concerts but also donations. Your generosity is much appreciated and it will benefit the many who access Epping Forest Foodbank.

Special thanks goes to our Parent Association for their continued hard work and enthusiasm over the last year. The fundraising they do makes a real difference to EVERY child in the school and ensures that our curriculum is both exciting and memorable! We use the funds to enhance the curriculum with a wide range of treats, trips and events for the children.

I thought you might like to know how our school spent the money raised by the PA last year:

Pottery sessions £2,076

Subsidy for numerous workshops to enhance our broad and balanced curriculum £3,341, includes science events, Growth Mindset, Travelling by Tuba music, Chinese New Year and Christmas party celebrations

Subsidy for Year 1 trip to Epping Forest Field Centre £1,566

Subsidy for Year 2 Gt Fire of London workshop £480

Pop and Bop event £115

Photographs of many of the above events are displayed around school or on our website and it is clear to see the enjoyment your fundraising efforts bring to every child. Please carry on the good work! Every little helps and the more families able to lend a hand on the PA the better! Thank you.

New volunteers are always welcome so please get involved in Parent Association meetings and events!

Yours sincerely,

Mrs S Dalby
