Headteacher: Mrs. S.A. Dalby

Tuesday 2 October 2018

Dear Parents and Carers,

Alderton Junior and Infant School are working together to ensure a consistent approach to the way we communicate with our community. It has come to our attention that there are Parent Association **Facebook** pages that are currently being used to engage you in events taking place at the school however these pages are not controlled by the schools.

We wish to inform you that we have had discussions about the use of the pages and for the time being, we have asked that the pages are **closed down**. Recent legislations (GDPR) are in effect which means the schools must be proactive in protecting the information that is shared.

In the future, we look to relaunch aspects of social media. We will work with the community and develop the use of social media as a way to share information and a place to see all the exciting work the children are doing. We will also be in a position to ensure it is in full compliance with GDPR.

At both schools, staff are available to answer questions before and after school and to provide you with accurate information.

For your information, the Junior school is currently in the process of launching a new website which will be regularly updated and will provide you with accurate information. The Infant School continue to regularly update their website and Twitter feed.

Thank you for your co-operation in this matter.

Yours sincerely,

S. Dalby
Infant Headteacher

K. Johnson
Acting Junior Headteacher
